*The Big Apple* is full of hustle and bustle, glitz and glamour, lights and noise. It is the city that never sleeps, and it is ours to explore. Our hotel is ideally located in the heart of Times Square. We'll see a Broadway musical, tour the Financial District, Upper East Side and Upper West Side, visit Radio City Music Hall, take a narrated Harbor Cruise and have great views of the Statue of Liberty, Brooklyn Bridge and the George Washington Bridge to name a few. We'll walk through Grand Central Terminal and Central Park, and even have the chance to take a carriage ride through Central Park. The World Trade Center and 9/11 Memorial are important stops on the tour as well. You will travel home tapping your toes to Sinatra's New York, New York, having seen more of New York City than most locals!
