Retrace a portion of the epic journey of America's westward expansion on our 9-day *Oregon Trail & Mt. Rushmore* tour. Once a perilous, months-long trek marked by hardship and hope, the Oregon Trail now unfolds before you in relaxed comfort as we travel through its storied path through Nebraska and into Wyoming.

From there, we forge our own trail north to experience the monumental beauty of Devil's Tower, Mt. Rushmore, the roaming wildlife of Custer State Park, and the "lunar-like" formations of Badlands National Park.

A longtime favorite among our Land Cruise travelers, this thoughtfully paced tour offers a moving glimpse into our pioneering past—without sacrificing any modern comforts.
